## Social climate

As a Diocese of Toowoomba Catholic school our college uses the School Renewal and Improvement Process (SRIP) to inform our strategic and annual action plans. This process includes

- a continual self-review to collect student, staff and parent views and satisfaction with our college across four domains: Engaged students, learning; Being distinctively Catholic; Using resources wisely and Valuing our people
- a panel external to the college, drawn from senior Toowoomba Catholic Schools personnel and an external expert working with the college community every four years to report on our progress and publish and share this with our college community.

Our most recent School Renewal and Improvement Report is available on our website and is linked [here](#).

### Description of how non-attendance of students is managed by the school

Rolls are marked at the beginning of every lesson. Absences which are noted by teaching staff at roll call are reported to the College Office. Office staff, using the noted contact numbers, contact parents using SMS/message software seeking a response explanation of the student's absence. Upon the first day of the student's return to school, a note is handed to a staff member who has daily contact with the individual student/family. The note is then kept in the student's file. Should absences become an issue, a meeting with the Assistant Principal – Students is arranged to discuss the matter.
